## 18<sup>TH</sup> ANNUAL ROUNDTABLE: YOUTH ADVOCACY IN (AN ALMOST) POST-DJJ WORLD

---

Join an ensemble cast of juvenile defenders who will share their insights gained so far from representing system-involved youth as DJJ winds down and “Secure Track” takes on its many forms statewide.

While this post-DJJ landscape is unsettling and full of uncertainty, it provides defenders with the opportunity to shape what comes next.

The presentation will follow a hypothetical/composite youth through transfer, disposition and post-disposition now that DJJ is less likely to be an option. Along the way, litigation options (e.g. OSCs, writs and appeals) will be discussed.
